

# Nursery – Knowledge Organiser – Transport – Are we there yet?

## Understanding the World

- \*That there are lots of different ways to travel from one place to another.
- \*That types of transport can move in different ways.
- \*To pick a mode of transport that is most suitable for our journey.
- \*Use maps to discover where we might like to travel to and plan a journey!

## Physical Development

- \*Develop the foundations of a comfortable pencil grip.
- \*Begin to use a range of tools to create a mode of transport.

## Expressive Arts and Design

- \* Develop storylines in their pretend play, including going on a journey.
- \*Make use of props and materials when role playing characters from a story.
- \*Create a vehicle from a range of materials.
- \*Plan a journey using a map.
